WHEN EVERY SECOND COUNTS...

THE ULTIMATE CHOICE IN MEDICAL TRANSPORTATION SINCE 1956

EMERGENCY AND NON-EMERGENCY BASIC AND ADVANCED LIFE SUPPORT
Integrity. Reliability. Compassion.

These are the cornerstones of Midwood Ambulance, a family-owned business which has set the standards by which ambulance services have been measured since we opened in 1956. We are proud to be the oldest private, family-owned medical transportation company in Brooklyn and one of the oldest in New York City.

Midwood Ambulance is committed to outstanding patient care and service.
A Total Focus on Quality

Our philosophy is simple. We believe in delivering the highest level of patient care through a dedicated team which includes our emergency medical technicians, paramedics, drivers, dispatchers and medical director, all of whom are carefully screened before becoming part of our organization.

These employees receive on-going training in both professional skills and customer service. We know they are a reflection of Midwood Ambulance and your experience with them is extremely important to us. With impeccable professionalism and commitment, our team is here to serve you 24 hours-a-day, every day!

When You Need Us... We'll Be There

With a long-standing reputation as a leader in emergency medical care, Midwood Ambulance provides Basic Life Support/Advanced Life Support (BLS/ALS) to all types of facilities, organizations and patients. We also specialize in on-site medical standby, developing an operational solution that will ensure prompt delivery of emergency medical care at your event, while meeting the requirements of the New York State Sanitary Code.

We provide service to:
- Hospitals
- Nursing Homes
- Medical Facilities
- Sporting Events
- Concerts
- Special Events
- Production Sets
- Links to Air Transports
- Long Distance Travel
When Every Second Counts…

During a medical emergency, Midwood Ambulance knows that every second is crucial. That’s why our state-of-the-art computerized dispatch communications center enables us to achieve the most rapid response time possible.

Our ambulances offer much of the hi-tech equipment of a hospital emergency room, outfitted with specialty equipment including cardiac monitors, ventilators, infusion pumps, medications and a telecommunications system. All vehicles are meticulously cared for and cleaned daily, exceeding all Federal, State and local guidelines and regulations.

Proudly Serving Our Community…
One Patient At a Time

Midwood Ambulance provides Basic and Advanced Life Support treatment and transportation from any location. For many of our clients, it is important that they are transported to their physician’s preferred hospital to maintain continuity of care. When utilizing our services, be assured we will transport to the hospital of your choice.*

*There may be certain life-threatening instances where we are required by law to transport to the nearest emergency room.

- The Rapisarda Family

Here are comments from some of our satisfied customers:

“Midwood Ambulance stands for excellence, skill and professionalism as well as quality patient and family care. It has been a pleasure doing business with you and I want to thank you for providing such wonderful services. Please rest assured that if I am in need of ambulance services in the future I will utilize Midwood Ambulance.”

“I want to convey what an exemplary job your EMT’s did when transporting my aunt. Not only were they caring, but they were hands-on at all times, making sure she was comfortable and assuring her that they were there for her. The EMTs are a credit to our borough and to Midwood Ambulance Service for doing such a superb and excellent job.”
